## The Gift Whisperer

Lindsay Roberts curates a website with perfect presents for everyone on your list.

Fair Isle gloves by Thistle & Broom

Lindsay Roberts, Chicago's resident gift guru, recently launched a revamped version of her popular website, [TheGiftInsider.com](http://TheGiftInsider.com). Shoppers can now browse hundreds of Roberts' hand-picked presents arranged by price, recipient type, occasion or personality. Roberts combs the web, local boutiques and magazines for fun and funky gifts like gourmet rice crispy treats, hand knitted Fair Isle gloves (ABOVE) from Scotland and custom tequila bottles designed by graphic artists. We know where we'll be shopping for those hard-to-buy-for folks on our Christmas list.
