Sustainable Throw from Thistle & Broom

October 23, 2005 01:22 PM - [Justin Thomas, Virginia](#)

Sign up for Newsletter!

This "Run of the Moor" throw, named for sheep which literally have "run of the moors", is made of naturally colored wool from Shetland sheep found in rare breed flocks. It's knitted and then felted for density, and is apparently

quite hard wearing, but very soft. The price is \$204 (£115.00) from Scotland. :: [Thistle & Broom](#)
